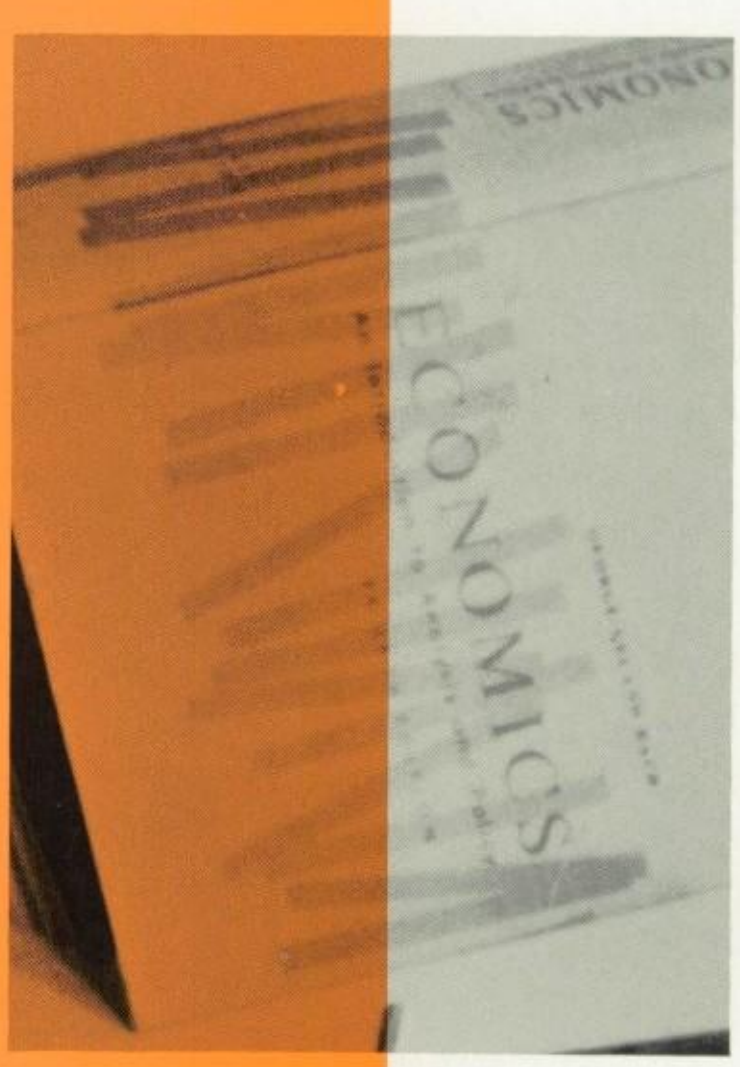
LEARNING AND TEACHING

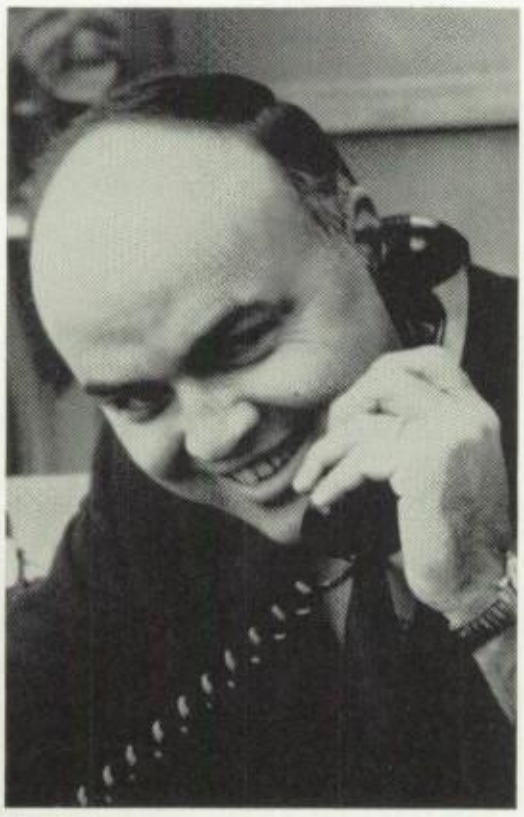


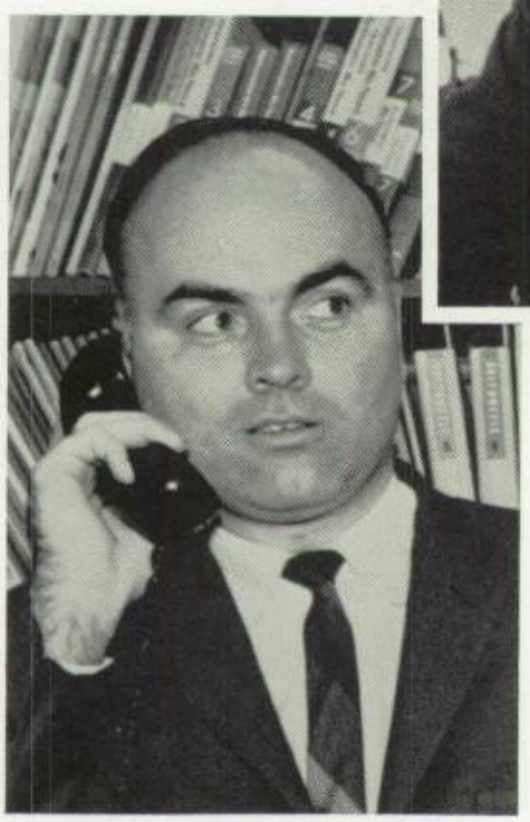
MR. KENNETH LOGAN
Supervising Principal
Carlynton Joint School District

NICHOLAS FRATTO
Administrative Intern

Mr. Kenneth Logan is currently serving his second year of office as Supervising Principal of Carlynton Joint School District. He was born in Clyde, Pennsylvania, and graduated from Clarion High School in 1931. He received his Bachelor of Science in Secondary Education from Clarion State College in 1934. During the following six years, he took various graduate courses at the University of Colorado, the University of Michigan, and the University of Pittsburgh, where he received his Master's in Education Administration. After teaching mathematics in several junior high schools, he joined the United States Air Force.

JOINT DISTRICT





Mr. Logan returned to teaching at Carnegie High School. He was then elected Principal at Harding Junior High School, and in 1958, Principal of Carnegie High School. After serving as Principal for two years he was promoted to the office of Superintendent of Carnegie Schools. With the Jointure, he became Supervising Principal.

Our Assistant Supervising Principal, Mr. James B. Schmunk, has his office at Crafton Second Ward School. Mr. Schmunk graduated from South Hills High School and holds Bachelor and Master degrees from the University of Pittsburgh. Before coming to Carlynton, Mr. Schmunk taught mathematics in Pittsburgh Public Schools and served as Principal of Baldwin Elementary School.

OUR PRINCIPAL . . .

This year we were proud to have Mr. Paul Perhosky as Principal. Although a familiar face to most C.H.S. students Mr. Perhosky is new to a few. He graduated from Indiana State College in 1952. Upon graduation, Mr. Perhosky served in the Navy for four years. After his discharge in 1955, he became a member of the teaching staff at Harding Junior High School. Concurrently, he taught night school at the Pittsburgh Academy. In the summer of 1957, Mr. Perhosky received his Master's of Education in Political Science and History from the University of Pittsburgh. He was elected Principal of Harding Junior High School in 1958, and served in that position for seven years. Currently, while serving as Principal at C.H.S., he is studying at the University of Pittsburgh in pursuit of a doctorate degree.

PAUL PERHOSKY
Principal

"Yes, sir! And how can I be of service to you?"

"You say he hasn't been to class in three days?"

". . . and you say Rick left for school three hours ago?"

CARNEGIE SCHOOL BOARD

The present members of the Carnegie School Board are the last of a long line of dedicated men and women who have given generously of their time in providing direction to the educational program of the public schools in Carnegie. As there will no longer be a Carnegie School District after activation of the new Carlynton School District on July 1, 1966, this board will cease to exist. The Class of 1966 does not wish their passing from the scene to go unnoticed. School board members receive no salaries—rarely even any thanks. In contrast, an irritated public seldom hesitates to protest freely. If the Carnegie Public Schools have distinguished themselves in any way over the many years of their existence—and we feel that they have—it has been due to the untiring efforts of the many devoted members of the board. We salute them. May their breed never cease.

PRINCIPAL'S OFFICE

MR. ROBERT ZAWADZKI
Principal

A new and welcome addition to Harding Junior High School this year is principal Robert Zawadzki. A graduate of the University of Pittsburgh, Mr. Zawadzki holds a bachelor's degree in the field of elementary education, a master's in the field of special education, and is now working toward his doctorate. He spent four years in the Marine Corps serving his country during the Korean War. Due to a developing interest in science, Mr. Zawadzki spends some of his spare time at Buhl Planetarium, where he presents and explains the sky shows and instructs a class in astronomy. In accordance with this interest, he has written three science workbooks for the elementary grades. As principal, Mr. Zawadzki hopes to achieve these goals: to develop an academic program in correlation with that of the senior high school and to develop a program of studies to satisfy the needs of the gifted and average student.
